A photograph of a brass showerhead spraying water onto a field of green grass. The water is captured in mid-air, creating a misty spray. The background is a clear blue sky. The entire image is framed by a yellow border.

Why to blame any one in our life.  
Good person gives us Happiness.....  
Bad person gives us Experience.....  
and Worst person gives us A Lesson.....

Amazing truth about Human Tongue.....  
It takes 3 year to learn how to use it....But it  
takes a lifetime to learn  
**when & where to use it**

A friend is one  
that knows you  
as you are,  
Understands where  
you have been,  
Accepts what  
you have become,  
and still,  
Gently allows  
you to Grow.
