

SEE THE WORLD FROM A DIFFERENT ANGLE.

CHICAGO | ROME | BEIJING

At Loyola University Chicago, we know the value of an open mind. That's why we love students who ask big questions and know there may be more than one answer. So whether you study with us in Chicago, at our Rome campus, or at the Beijing Center, you'll have plenty of opportunity to get a fresh perspective.

We are Chicago's only Jesuit University. Learn what the difference can mean to you. Visit LUC.edu.
